## Welcome to the SmartLIFE Conferencing facility

Run over two modern sites on the edge of Cambridge Science Park.

The Centres have dedicated conference rooms with IT and video conferencing equipment available. Smaller meeting rooms are also available for more intimate or board room style meetings. A light and airy exhibition space can be used for break out sessions and is ideal for more informal networking amongst delegates.

## Our Service

Our staff are always on hand to support you and ensure that all your needs are met. With a positive and helpful attitude we will ensure that all your technical and practical requirements are fulfilled.

## Catering

The SmartLIFE catering team understands that you want to make your event unique and we aim to cater for all your needs whether it be a breakfast meeting or a large evening buffet. Light refreshments always available at short notice!

## SmartLIFE Construction Centre

### Conference room

The Terry Bear conference room can flexibly accommodate 100 delegates in a theatre style or 50 in cabaret style. Our IT facilities will accommodate all your physical, virtual and multi-media requirements.

### Meeting room

Our small meeting room will comfortably seat 10 delegates, whilst still offering the flexibility for all IT communications options.

### Visitor Centre and Exhibition Space

A unique and adaptable visitor and exhibition space can also be arranged to your specific requirements. This area is ideal for networking, break-out and away days

## SmartLIFE Low Carbon Centre

### Conference room

This wonderful light and spacious room can be adapted for a variety of events including boardroom style with exhibition space and excellent for theatre and cabaret events. Suitable for up to 80 people

### Meeting room

This room is ideal for larger boardroom meetings or up to 30 delegates theatre style.

### Reception area

Ideal for exhibitions in the atrium of the building offering your business excellent sales opportunities.
