

www.see.qb.net

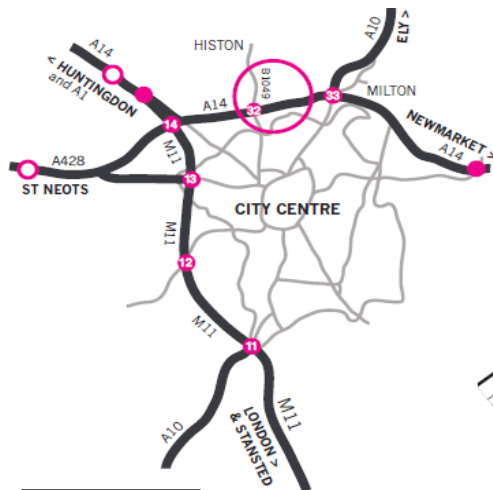

Date: January 16th 2012
Time: Open house drop in event 8am-11am
Venue: SmartLIFE Low Carbon Centre, Cambridge, CB4 2QT
Cost: FREE (to private sector organisations based in the East of England with fewer than 250 employees)

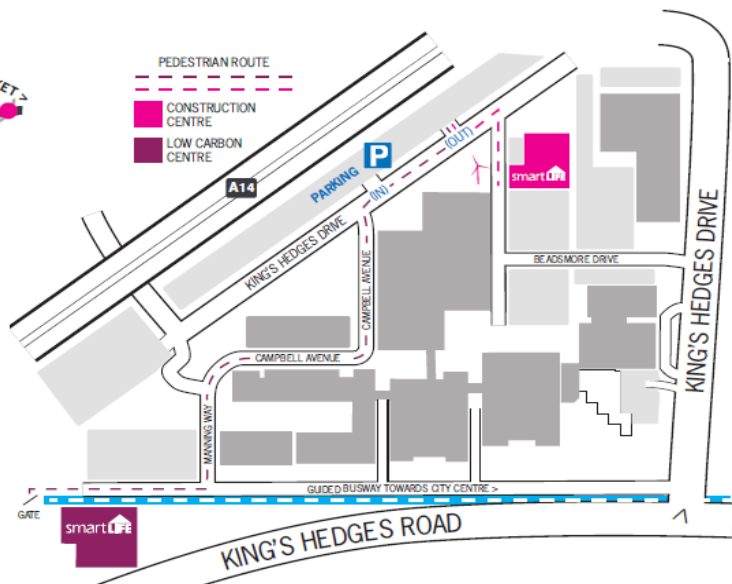

We are bringing you a range of experts and advice, so please drop in if you need help with any of the below:

- Grant advice - Tap in to grants available to you as an SME
- Skills and the new Green Deal - Expand into the retrofit market if you are in the construction industry
- Passive house standards - Advice from a Passive House expert
- Energy audit advice - Take advantage of a free energy audit of your premises
- Water efficiency - Anglian Water and Cambridge Water can help you save water and money
- Retrofitting housing - St Ives Green House project can give you tips on retrofitting existing properties
- Waste - All your recycling questions answered by experts
- Travel for work - Get help creating a green travel plan and save money
- Plus take a look around our BREEAM Excellent new premises!

If you are interested in coming along please contact Kat von Glos on: 01223 715950
